

# VOLUNTEER with

Habitat for Humanity Sarasota invites your group to spend the day with us! Join the many churches, companies, schools, and service organizations that support our mission of building affordable housing in Sarasota with families in need.

Opportunities for volunteering range from building homes, (no experience required!) helping out with a special project at our Home Improvement Outlet Store, or signing up to provide refreshments for the construction volunteers at the jobsite. Volunteer groups usually range in size from 5-30 people.

Volunteering with Habitat is an enriching group activity where your members will bond over a common goal, accomplish something tangible, and feel good about helping the local community.

Please take a look at the enclosed information and complete the group volunteer application to sign up for your preferred workday. We promise you, it will be a day you won't soon forget! If you have any questions, please feel free to contact me at 365-0700 or [lcolton@sarasotahabitat.com](mailto:lcolton@sarasotahabitat.com).

Sincerely,
